Show Order and Costume Boards will be posted May 1st.

Programs will be available when you arrive at the auditorium.

Miscellaneous gifts, flowers and merchandise will be available to purchase at the show.

Be sure to arrive 30 minutes prior to the start of your performance. All seating is first-come first-serve. Auditorium doors for each show will open 30 minutes before show time. Any persons in the auditorium earlier than 30 minutes prior to show time will be asked to leave.

Make sure all hats/headpieces are secured with elastic. Make sure each dancer is wearing the correct tights with each costume and the correct dance shoes. It is a great idea to make a checklist and gather everything you will need a week prior to the recital.

You may put make-up on your dancer so that their faces do not get “washed-out” from the stage lights. Make-up is at your discretion. Please refer to the board at the studio for hair style requirements.

No gum on stage. ABSOLUTELY No food or drinks in the auditorium.

Parents are responsible for dressing their children.

When you arrive at the auditorium, follow the signs to your designated dressing room.

A copy of the program will be on the wall directly outside of the stage entrance—make sure the dancers are lined up outside of the stage entrance six- (6) dances prior to their performance. Feel free to watch the show in between your child’s dances, but make sure the dancers are lined-up in time to perform. (Parents are responsible to make sure their dancer is in line—it is not the responsibility of the Fantasia staff members.) The show will not wait for any student who is not in line.

Make sure dancers are quiet and tap shoes remain still in the hallway while waiting to perform.

As soon as the dancers finish their performance, they will be led off the stage and a parent **MUST** be present to pick the dancer up backstage in the holding area hallway.

ALL dancers will receive a participation award and some dancers will receive a duration award. Make sure they are backstage ten (10) minutes prior to the END of the show. A list of duration awards will be posted on the studio bulletin board. Please check to see if your child’s name is present for any awards, you feel he/she should be receiving this year. Also, check the rough draft of the recital program which is posted on the studio bulletin board to see how many dances he/she has between performances. We do our best to make sure you have at least three dances between performances.

Please stay seated during the show out of respect for the other audience members. You may video your child’s performance, but we ask that you remain seated. This includes filming from your smart phone. Flash photography is not permitted.

Please remember the better prepared you are the more enjoyable the event will be for everyone. Understand the staff will be very busy running the show and although they would love to help you in any way they can, this is not always possible. Any questions need to be addressed before the date of the show. The studio will be closed beginning May 16 in preparation for the shows. Try to respect everyone around you since we are all present at the recitals to enjoy our children’s accomplishments.

Check with the Fantasia Dance and Arts office to make sure your balance is current, and you have not forgotten to pay any fees. No child will be allowed to participate in the recital unless balance is current. All account balances must be current by May 15th or your child will not be allowed to perform. All outstanding balances will be drafted on May 15th.

Last day of classes is May 15th.

Summer dance classes/camps are offered June 2nd– August 2nd and Fall classes begin August 18th.
